

CAMP

CROATAN

for KIDS!

Over a decade ago, Emerald Isle resident and school teacher, Teresa Morris, started Camp Croatan, a summertime day camp and afterschool enrichment program for elementary school children.

The program was immensely popular with the children who were a part of it. Now Camp Croatan is back for a whole new generation!

With a focus on using an integrated, hands-on approach to teaching children about the plants, animals—even people indigenous to North Carolina, Camp Croatan is not your run-of-the-mill children's program.

If your child is interested in wild horses, marine life, coastal wildlife and wetlands, as

well as creating art, exploration and having the opportunity to learn about the history and traditions of the Indians of Coastal Carolina from a descendant of three of eastern North Carolina's most prominent tribes, then you won't want them to miss out on an opportunity to be a part of Camp Croatan.

Chances are, your child will be having so much fun, they'll never want to leave! Registration is happening now so reserve your child's spot now.
